Deputy Fire Commissioner Is Likely Choice as First Aide to Waldo in Police Department.

With the police promotions out of the way, Mayor Gaynor set about filling the vacant Fire Commissionership and vacant Deputy Police Commissionerships this afternoon. These latter vacancies were caused by the resignations of First Deputy Police Commissioner Clement J. Driscoll and Fourth Deputy Alfred W. Booraem, Second Deputy Commissioner Dougherty and Third Deputy Commissioner Walsh also resigned, following custom, but they were asked to remain.

The Mayor had not reached a decision late this afternoon, but everything pointed to the appointment of Joseph Johnson as Fire Commissioner. Mr. Johnson has been First Deputy Fire Commissioner since January, 1910, and has made a great record in his administration of the Bureau of Repairs and Supplies and in all other branches of endeavor attached to his position.

Second Deputy Fire Commissioner charge of the Pipe Department, out Mayor and Commissioner Walds W aim in the Police Department, and th a better than an even chance that will go there as First Deputy. His appointment may be announced this e ning. Highest Tribunal of the Land, Which Ordered Oil Trust Dissolved, Rules on Final Appeal of Giant Combination.

TWO CASES CONSIDERED TOGETHER BY THE BENCH.

Opinion Was Eagerly Watched For Because of Ruling That Involves "Reasonable" Restraint.

WASHINGTON, May 29.—The Tobacco Corporation was held to be in restraint of trade by the U.S. Supreme Court in its decision read by Chief Justice White this afternoon.

It was held as violating both sections 1 and 2 of the Sherman Anti-Trust law.

The Standard Oil Company was adjudged to have violated the same provisions.

The trust is allowed six months to dissolve, the same as Standard Oil. The Court decreed: "First, that the combination in and of itself, as well as each and all of

the elements composing it, whether corporate or individual, whether considered collectively or separately, be decreed to be in restraint of trade and an attempt to monopolize and a monopolization within the first and second sections of the Anti-Trust act.

"Second, that the court below, in order to give effective force to our decree in this regard, be directed to hear the parties, by direct evidence or 0 3 8 0 0 0 0 1 0 12 otherwise, as it may be deemed proper, for the purpose of ascertaining and determining upon some plan or method of dissolving the corporation.
